## INTERESTING BALL GAMES

### Marion Defeats Morganfield on Their Own Diamond in Hotly Contested Game.

In one of the most exciting and interesting games seen at the local park this year, Marion defeated Dixon Friday by the score of 3 to 0. The main cause of the defeat was poor fielding by the visitors.

In the fourth inning coupled with proper hitting by the home team at the proper time, they bunched four hits off of Price in that inning which netted them the only three runs of the game. A long running catch by Guess into third kept the visitors from scoring. Ramsey pitched his usual good game keeping his hits well scattered and fielding his position in great style. The work of Lamb and Wetzel in left field and a long running stop by Carroll off Rayborn's grounder were the features.

Batteries. Price and J. Rayborn. Ramsey and Brahic.

Earned runs. Marion 2.

Sacrifice hits: Ramsey. Two base hits: Carroll. Stolen bases: Price (2) Lamb (3) Franks (2) Carroll, Guess. Struck out by Ramsey 5 by Price 7. Base on balls off Ramsey 1 off Price 1. Umpire J. W. Lamb.

On Wednesday of last week Marion and Morganfield tied up a score of 2 and 2, the game had to be called in the eighth inning so that the visitors could catch their train. Gossage who did the slab work for the locals was back in his old time form and at all stages of the game he had visitors completely at his mercy. Hudson who adorned the mound for the lads from Union pitched a good game but was hit hard at several different times and had it not been for over sight on the part of umpire Mench, in the first inning Marion would have secured four runs instead of two. Butch Taylor immediately after the two scores were made in the first inning did not get off his usual amount of jokes; and the game had progressed but little until everyone saw that the "Old Man" who cavorted around second couldn't come back. The snap of youth had flown from the old fellow and like Ponce de Leon of old he needs to find the spring which will restore to him some vast amount of vitality and beauty. Bob has always been a favorite here among the base ball bugs and has made his reputation as an ex-leaguer both by his brilliant fielding at second and his pinch hitting in citizens clothes. The features of the game were the hitting of Taylor and Bushman for the visitors and Rochester and Carroll for the home team.

Batteries for Marion Gossage and Brahic for Morganfield.

Struck out by Gossage; 9 by Hudson 4. Sacrifice hits: Dixon 1. Stolen bases: Rochester 1. Bases on balls off Gossage 1 off Hudson 2. Umpire Mench.

Promptly at three fifteen on last Thursday one of the best games ever seen in this part of the state was called between Morganfield and Marion at the ball park in Morganfield. Pat Runyan the famous twirler from Paducah occupied the box for Marion with Eddie Brahic at the receiving end, this pair had local sluggers completely on their boat only allowing them four hits out of nine innings of play. Markham, Morganfield's great pitcher was on the slab for the local team he pitched a good game, but the visitors seemed to connect with his delivery from the very start for it was in the second inning when the game had hardly begun that Claud Guess while Cannan and

Ramsey were peacefully resting on second and first hit the ball on the nose and sent it sailing over the left field fence for a home run. The visitors secured two more runs, one in the seventh and one in the ninth both being made by Guess. The locals secured one run in the first one in the third and one in the eighth when Bob Taylor hit a home run this completed their getting. The game was full of brilliant fielding on both sides; the work of Rochester and Johnson around short, a wonderful catch by Cannan of Rochester's bad throw in the ninth and the batting of Carroll who out of four times up had three hits one of which was a two bagger were the features of the game. Both the manager and every member of the Marion team appreciated the courteous manner in which they were received by Morganfield people and especially the congenial way in which Bob Taylor received them.

Struck out by Runyan 4 by Markham 12. Sacrifice hits by Brahic 1 Cannan 1. Stolen bases Quirey 1 Guess 3 Carroll 1. Two-base Hits—Carroll 1. Home runs—Guess R. Taylor. Bases on balls—off Runyan 1 off Markham 2. Time of game 1 hr. 35 min. Umpire Lamb.

Batteries for Marion Runyan and Brahic for Morganfield Markham and Bushman.

## GREAT CONVENTION AT CENTRAL CITY

The Following Report Is From Judge J. P. Pierce, One of the Delegates From Crittenden

I have just returned from the State meeting of the "Farmers Union" at Central City and wish to say to you my Brothers of the Farmers Union of Crittenden county that if we are only loyal to our interest success is ours.

The State President elected at this meeting is a thorough business man (Lank Thomas) we had to almost force this position on him and I feel satisfied that nothing but his loyalty to the Farmers Union would have induced him to accept. Our Vice President is Sam Jones, who I believe was the first man initiated in the Farmers Union in Kentucky. Our executive Board were selected on account of their business qualifications. Our invincible R. L. Barnett was elected State Secretary.

Now let us all get to work—pool our tobacco and pay up our dues at once. Let the pooling be done and reported by our call meeting the 18th of August if possible. We ought to pool at least one million pounds this year already something over 300 acres have been turned in to me from only 5 or 6 locals one or two have pooled solid, already the buyers are letting us know that they want a chance at our pool, and we feel assured in saying that if we make a good clean crop as the prospects now looks, and handle it right that we will get a good price. Let every one do his duty and success is ours.

Fraternally yours,

J. P. PIERCE,  
Chairman.

## MORGANFIELD IS THE PRIDE OF UNION.

Great Spirit of Thrift and Signs of Prosperity New Buildings Going up Rapidly.

Last Thursday we visited our old home town, Morganfield, the Venice of the county and home of many of the best and most highly recognized men and women in the State of Kentucky.

And while scores of these proud old Kentuckians, having fought a good fight, have long since laid down their burdens and are walking the shores of an endless Eternity while their children and grand children are perpetuating their memory in a way that has made for Morganfield and Union county a name that none can ever be ashamed.

Who, that lived in the days of such lawyers as Willis G. Hughes, D. H. Hughes, S. C. Hughes, J. S. Geiger, Judge Geo. Huston, the McElroys, Geo. A. Prentice, Judge Ben P. Cissell, Ken Chapez and such citizens and business men as Strother Chapman, M. R. Waller, Nace Waller, Bob Waller, Jno. Cromwell, Waller Mason, the Suggs, Catletts, Taylor's, Houston's Givens, Harris' Bruce, Blue's, Richards and many, many, others would not delight in recollections of the long ago and point back with pride to the county and town of his nativity, where, in the beautiful cemetery overlooking the town, sleeps his sainted mother. It is a sacred spot to all who ever called it home and that her lands are reputed the richest and most productive in the state and her people the most prosperous, is a fact bringing her into greater notoriety every day. Two of the most highly recognized practitioners of the old bar are yet living, Hon. Cromwell Adair and Hon. I. A. Spalding, having both passed the four score mark. Both men have been recognized for their marked ability and purity of character all their lives and when the time comes that they shall be missed from us, but present with the great throng of those who helped make for the present generations a name so enviable that we can say from deep down in our hearts, while the amen's are heard from all who ever came in touch with them, men better loved by their fellow men and more worthy of the highest tribute to their memory, never lived on proud old Kentucky soil.

While we were visiting in Morganfield Thursday, Mr. Adair passed in his fine car and a bystander remarked, what a grand old man. Thank God for a life so lived that our friends and neighbors will rise up and call us blessed. The people of Morganfield are both building and preparing to build up the burned district. T. B. Young has his building underway and when completed will be the finest building in the city. Preparations are being made to rebuild the Baptist church and Masonic Temple. Notwithstanding the fact that Main street don't look as it used to the town is reaping as rich a harvest in trade as it ever did. The great Morganfield Department store representing a whole town by its self, is doing a mammoth business. They believe in ad-

vertising, using all four papers of the county, giving the Morganfield Sun, the leading paper of the county, two pages or 16 column last week.

Morganfield boasts a set of business men that will build a town and business and who are popular with the people.

While there we met Col. Dock Brown, who represented the county so ably in the Legislature, putting through a law that gave the county fifty miles of ditches from fifteen to thirty feet wide, making valueless lands worth \$100.00 per acre. He is a grand old man, original from head to foot.

Jas. K. Waller, one of the cleverest little gentlemen to be found from Jerusalem to Main and one of the most highly recognized financiers in the county, President of The Peoples Bank was looking as bright and happy as if nothing had ever occurred.

## THE OLD HURICANE CAMPGROUND

The Most Noted Place of Worship in the State to be Opened on Thursday, Aug. 25.

On Thursday, August, 25th the noted old Hurricane Campgrounds will be opened to the public for a period of ten days, closing Sunday, Sept., 4th.

The workers of the meeting are: Rev. J. J. Smith, Rev. R. H. Higgin, Rev. R. C. Love, with Rev. W. L. Shell to lead the singing.

All know of these Annual Meetings and Love-Feasts and the great good accomplished by them, many holding the Old Camp Ground as sacred as Jerusalem is to the Jews. And as the years go by the more the old spot is loved, perhaps because our precious old mothers and grandmothers loved it. Any way there is something about the sacred old spot that draws the Christian to it and from the preparations being made for the coming event, if it does not prove the largest attended and best enjoyed in many years, there is nothing in signs.

## THE OPERA HOUSE CHANGES HANDS

Myron Frisbie Buys Out Mr. Marion Clark and the House is Now Under New Control

On last Monday Mr. Myron Frisbie bought the opera house management from Marion Clark and from that date the new manager assumes full control.

Mr. Frisbie, while an old man is highly recognized by the people of Marion as a man capable of putting up a first class management and would be far from tolerating little, cheap, vulgar shows. He has a high sense of right and justice and whenever he signs for an entertainment the public is assured it will be good.

Mr. Clark, the retiring Manager deserves much credit for the number of high class shows enjoyed by the people of Marion in the past year and for repainting and thoroughly renovating the house, making it far above an average from Henderson to Paducah and while we desire to throw bouquets at Mr. Frisbie, as he is better able financially to run the house than any manager before him, we have nothing but the nicest things to say of Mr. Clark.

Mr. Frisbie informs us that it will be but a few weeks until he will give the town his first entertainment.

#### BOB CALMES' CAT

(A True Story)

When little Bob Calmes' parents moved to Marion and were domiciled in a little home in the outskirts of town, a very thin, hungry looking cat came to the home and strange to say, Bob took the cat in his arms when his mother tried to drive it away and plead for it to be allowed to stay, and from day to day his mother granted his request, thinking to finally send it away. But finding the cat and Bob such friends and that the mice were forced to keep in close quarters, to Bob's delight the cat was finally recognized as a fixture. And so inseparable were they that where ever you found Bob you would find his cat.

After a time Bob went to visit his grandmother and on his return some three weeks later, his mother informed him that his old "Kittie" as he called her had found a little, tiny kittie, but was keeping it hid and however bad Bob wanted to see it the old mother prevented him, keeping herself as well as the kitten in seclusion.

One morning the old cat came to the house from whence no one knew and fairly raised the family, early as it was with her cries. She would go to Bob's bed and then to other members of the family as if pleading with them to awake her friend, which was done. As soon as Bob saw her he took her in his arms, but she would not stay, and seemed in terrible distress, crying pitifully and running towards a vacated house near by. Finally Bob's two sister and his little brothers started to follow "Kittie" but she would have none but Bob and got her back all out of shape and spit and scratched at all of them until they believed she was mad. But Bob followed her to the vacated house where she showed him her sweet little kittie. When Bob took the little kitten lovingly in his arms she looked up into his face as if to say it is yours, and broke for the yard where she died. It subsequently developed that some one had put out rat or dog poison in the neighborhood and she had got

hold of it and knowing that she was going to die wanted a pledge from her little friend that he would take care of her baby kittie. And Bob has done it, and kittie is now the pet of the household. Nor did he forget to bury the old mother the other children helping him, not forgetting to leave some flowers on her grave.

The love the old "Kittie" had for her baby and the confidence and love for Bob has made the motherless kittie doubly dear to every member of the family. It is a playful, frolicsome little fellow and for the confidence the old mother had in Bob every member of the family vie with each other in tenderly caring for it.

## MURDERED BY WIFE'S FORMER LOVER

**Harry Long a Former Crittenden County Boy Shot Down In Cold Blood**

Mt Vernon, Ind., July 28.—Jealousy arising from the alleged attentions of Lee Salyean to Mrs. Harry Long, of Mt. Vernon, Ind., is ascribed as the cause of the murder of Long by Salyean at the Long home in Mt. Vernon late Wednesday night. Long died in an Evansville hospital at 9 o'clock Thursday morning. Salyean is in jail at Mt. Vernon. He was overpowered and arrested on the spot.

Salyean and Long are cousins. Information coming to Chief of Police Smith of Mt. Vernon at noon Thursday that Mrs. Long had arranged for a meeting between Salyean and her husband on a foot bridge near their home and had telephoned to her husband to come home by the way of the bridge, is a complicating factor. Chief Smith is going to examine Mrs. Long Thursday afternoon.

Long was shot by Salyean in his front yard and in the presence of his family after the latter had thrown off George Bishop, a cripple boy, who grabbed with him at the first shot. Walking up in front of the house, where the latter was seated with his family, Salyean drew a revolver and fired at Long. George Bishop the cripple, who was seated on the curb stone not far away sprang upon Salyean, throwing him to the ground.

Shaking himself free, Salyean jumped to his feet and fired three more shots at Long, two of them taking effect in the abdomen. The first shot had struck him in the leg.

Salyean had told the police that Long had called him up two weeks ago and told him that if he ever came to Mt. Vernon he would kill him. Wednesday, according to Salyean, Mrs. Long called him up and asked him to come to Mt. Vernon.

Long is alleged to have threatened Salyean's life when he found him in company with his wife on horse show day in May. Harvey Horn, by whom Salyean was employed in New Haven, called up Chief of police Smith at Mt. Vernon more than a month ago and told him that Long had called up Salyean and had threatened to kill him on sight.

It was also learned Thursday that Long had knocked Salyean down in front of a saloon shortly after the horse show in May. Both Salyean and Long were born and reared in Marion, Ky. Long married his wife, then Nellie Hale, twelve years ago in Karbes Ridge, Ill. Four years ago he moved to Mt. Vernon and obtained employment as engineer in the strawboard factory there.

In the meantime Salyean had been working with his uncle, Will Lynn. Lynn came to Mt. Vernon Thursday to arrange for the defense of one of his nephews and the burial of the other.

Long was taken to Evansville immediately after the shooting, but when he arrived he was beyond medical aid. Nine perforations were found in his intestines, three of them being within three inches of each other in the large intestine.

Salyean was tried before justice of the Peace George B. Rowe Thursday morning and bound over to the grand jury charged with murder.

William Hale, Mrs. Long's brother, arrived in Evansville Thursday morning to take care of the body of his brother-in-law. He was informed of the murder while in Shawneetown Wednesday and knew nothing

of the case. He passed through Mt. Vernon expecting to find his sister and Long's mother in Evansville. Mrs. James Long, the mother, who lives in Marion, was notified of her son's tragic death and started to Evansville at once.

Note By the Editor.

Harry Long was an honest, hard working man and for a long time was employed by me while I was Superintendent of Collier "C" of the West Kentucky Coal Co., at Sturgis and was one of my most reliable and trusty men having charge of the boiler rooms as head firemen. While there he made a good husband and was in deep trouble because he could not keep his wife satisfied to stay. She finally leaving him. He would have followed her, but needing his services, I prevailed on him to stay.

Harry was a brother to Mrs. Persons, who, with her husband went to Evansville as soon as notified of the shooting and after his death brought the remains to Marion Friday afternoon. The funeral took place at Chapel Hill cemetery Saturday evening conducted by Rev. Thomson.

### A CARD.

To those who so loyally stood by me in the Record-Press contest, enabling me to win the ten dollars in gold, I am deeply grateful and thankful, and as long as I live shall remember you as my friends. And now, with a sad heart I take this method of informing my friends that as my dear old grandmother is seriously stricken and feeling it my duty to be at her bedside, that I shall be prevented from seeing them that all they can do for me will be appreciated by me as only a motherless girl craving to win this beautiful pinno can. Hoping to see all of you soon and thank you in person for all you have done for me. I remain

### The Crittenden Record-Press

N. E. CALMES Editor and Publisher.

Entered as second-class matter February 27th 07 at the postoffice at Marion, Kentucky under Act of Congress of March 3, 1879.

One Dollar the Year in Advance

John G. Carlisle, one of the most brilliant congressmen of Kentucky is dead, but with the many thousands who knew and admired him his memory will be perpetuated in their children.

With all the fuss made about the long hunt for Wendling for the alleged murder of Alma Kerner, we venture it be for naught as there are thousands of good men in Kentucky that have another theory about who is responsible for the murder of the little girl, and have never believed that Wendling was guilty further than a knowledge of who likely did it. His arrest is alright, the greatest good to come from it the unearthing of the real murderer.

While one part of the world is making rapid strides in aerial navigation, the other part has successfully prepared destroyers for these air ships, to be necessary in time of war. These machine guns are made and attached to powerful automobiles, a full illustration of which is in the Scientific American.

Jno. W. Wilson has had some nice concrete work done in front of his nice home on Main street.

Rev. J. T. Barbee and wife of Owensboro, Will Lamb and wife Clay, and Rev. J. L. Price of Providence attended services at the C. P. church Sunday, Rev. Barbee preaching the dedicatory sermon.

### CARNAHAN BROS.

Carnahan Bros., have been advertising liberally and for their pains and expense have been patronized beyond their expectation. Their last big sale they claim was a success in every particular. They had the goods at the prices named and sold them as advertised. Look for something from them soon, as they believe in a liberal use of printers ink.

### LOST

Somewhere between Marion and Cave-In-Rock a solid gold locket and chain with monogram, N. R. S., and picture of Miss Mabel Minner. Finder please return to Record-Press office and be rewarded.

MRS. DAN STONE.

### Contract To Be Let for The Building of Tolu School House

Wednesday, Aug. 10 at 4 o'clock in the afternoon the beautiful diamond ring will be presented to the winner. Who will it be? It may go to the one buying the dollars worth between now and the close of the contest.

### FOR CONSTIPATION

A Medicine that Does Not Cost Anything Unless it Cures.

The active medicinal ingredients of Rexall Orderlies, which is odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience.

Unlike other preparations for a like purpose, they do not create a habit, but instead they overcome the cause of habit acquired through the use of ordinary laxatives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action.

We will refund your money without argument if they do not do as we say they will. Two sizes, 25c. and 10c. Sold only at our store--The Rexall Store. Haynes & Taylor.

### TAYLOR AND CANNAN HAVE PROSPEROUS DAY

On last Thursday, Mr. Philip Weilert, representing the Grifon Tailoring Co., of Baltimore Md., spent the day at Taylor & Cannan's displaying his large line of samples and taking measures for fall and winter suits.

Crittenden county Convention will be held at Sugar Grove Thursday Aug. 25th

Every body is cordially invited. Let every Sunday School in the county be represented with report, donation and singing class or at least a good delegation of Sunday School workers.

E. F. DEAN, County Pres.

### HOME ENDORSEMENT

Hundreds of Marion Citizens Can Tell You All About It.

Home endorsement, the public expression of Marion people, should be evidence beyond dispute for every Marion reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in faraway places. Read the following:

William Redd, farmer, Marion, Ky., says: "I was subject to sharp twinges through my loins when I stooped or lifted and was also troubled by a pain in my back. At night I had an acute backache and when I arose in the morning, I was very lame. I tired easily, felt dull and languid and at times was nervous. The kidney secretions were too frequent in passage and I was obliged to arise three or four times at night. Learning of Doan's Kidney Pills, I procured a box at Haynes & Taylor's Drug Store and after using them about three days, I received such great relief that I continued taking them until I was cured."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name--Doan's--and take no other.

Joe Kuykendall, of Princeton, was a visitor in Marion Sunday.

### DO YOU WANT GOOD FLOUR

To the farmers of Caldwell and adjoining counties:

The Fredonia Mill has been shut down for sometime for repair but expect to start not later than Aug. 4 and will keep on hands at all times a full line of flour and meal. We are going to give the farmers for their wheat a pure straight grade flour. By this we don't mean a straight grade with 60 to 90 per cent. patent drawn out as some mills do but a pure straight flour with no patent taken out. Give us a trial and be convinced. Respectfully,

J. S. WYATT, Successor to C. A. WILSON & Co.

### We Guarantee Every Box

of Dr. Bell's Antiseptic Salve to do what we claim. Try it for ulcers, boils, running sores, tetter, ringworm, eczema, salthrum, fever sores, cuts, bruises, pimples, black heads, chaps, felons, burns or any skin disease. 25c a box.

### SECURE A CERTIFICATE

Under the law the Western Normal has the power to issue the ELEMENTARY CERTIFICATE, the INTERMEDIATE CERTIFICATE, which entitle the holders to teach anywhere in Kentucky for two years, four years, and for life respectively without further examination. Information as to the amount of work required for each certificate will be furnished when desired. Fall session opens Sept. 6, 1910. Address H. H. Cherry, President, Western Normal, Bowling Green, Ky.

### CARD OF THANKS

To the good people of Marion and Chapel Hill we wish to extend our sincere thanks for their kindness to us in our recent bereavement and loss of our dear son and brother, Harry. This is a great loss to us, but we can be comforted in the thought that God knew best.

We have not words to express our gratefulness to all for your comforting words and also for the pretty floral offerings.

May God bless and reward you all is our prayer.

MRS. JAS. C. LONG AND CHILDREN.

### JAMES--JONIER

On last Sunday morning just prior to the Sunday School hour, Mr. Harry Jonier and Miss Pearl James were united in marriage at the home of Mr. and Mrs. Ab Henry, Rev. M. E. Miller officiating.

The bride is one of the most beautiful young ladies of Marion and very popular, while the groom is a prominent traveling salesman out of Chicago.

The happy couple left on the early train for Evansville, Ind., from thence to leave on the regular tour of his large territory, conceiving the idea of traveling together instead of keeping house. They are a splendid couple and we wish them much happiness.

Mr. Creed Taylor has been sick for several days.

### A CLOSE CALL FOR

#### FORMER MARION GIRL

Dr. Della K. Stevens (nee Kevil) writes a thrilling story to her father Judge Kevil, of her narrow escape from death in a train wreck while on her way from Muskogee, Okla., to Asheville, N. C. In rounding a curve on a fast passenger the engine tender and baggage cars jumped the track breaking loose from coaches and plunging down the mountain side turning turtle and lodging against some powerful trees. On investigation every coach of the long train was found to be off the rails, but had not left the ties.

The engineer, fireman, mail clerk and baggage master all jumped for their lives and were saved.

### HOW TO CURE ECZEMA, PIMPLES AND DANDRUFF

We desire to say that when we took the agency for Zemo, we were convinced that it was a valuable remedy for Eczema, pimples, and dandruff. Yet we must frankly admit that Eczema has far exceeded our expectations as a treatment for skin diseases. We are pleased to state that we shall continue the agency as Zemo has given splendid results wherever recommended. Our customers like Zemo too, because it is a clean vegetable liquid for external use.

Zemo effects its cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clear and healthy. It does not soil the clothing or linen and can be used freely on infants.

With every purchase, we give a book let on skin diseases explaining in simple words how any person can be cured at home of any form of skin or scalp disease by this clean, scientific remedy. Haynes & Taylor Druggists.

Miss Mabel Wilson left Sunday for Ford's Ferry to take charge of her school there.

Misses Ethna and Lola Dosset, of Cave-In-Rock, are the guests of their aunt, Mrs. Dan Stone.

### Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance is the long run is the internal cleanliness.

This is one point that all should watch about their bodies—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but build you up more than ever the next day, then you need a purgative and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the scientific best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. If it is directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowels muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They begin with a sample bottle, then bought a five-cent bottle and now, fully convinced of its merits, they buy the one dollar family size. All the evidence of the fact can be seen in the faces of the family.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. F. Caldwell, R. 500 Caldwell building, Monticello, Ill.

### Do farmers eat the proper sort of food?

The farmer of today buys a much larger proportion of the food that goes on the table than he did ten years ago. It's a good thing that this is so because he has a great variety to select from. He should, however, use great care in selecting for the best results in health and strength.

The widespread tendency in the city to increase the amount of Quaker Oats eaten is due very largely to the recent demonstrations by scientific men that the Quaker Oats fed man is the man with greatest physical endurance and greatest mental vigor.

Farmers should give this subject careful thought and should increase the quantity of Quaker Oats eaten by themselves, their children and the farm hands.

Packed in regular size 10c packages, and in hermetically sealed tins for hot climates.

### SWALLOWS A DIAMOND

WORTH \$500 AT PENNYVILLE

The highest price hen in Kentucky was in Pennyville last week at the home of the Rev. William Overstreet. For just one hour she was worth exactly \$500. Then the market of this particular hen "broke" as they say at the bucket shop, and at one stroke, fell \$500 which, so far as can be learned, is a record for Pennyville. The hen swallowed a \$500 diamond belonging to Mrs. Overstreet. The ring with other less valuable, was lying on a table on the back porch of the Overstreet house. The old hen looked the jewels over, and with the eye of a connoisseur and with the taste of a Savarin, picked out the real thing and swallowed it. There was a shue and a cry when the loss was discovered. All the hens were under suspicion, and Mr. Overstreet started an investigation. The fourth hen he picked up proved to be the culprit.

He could feel the ring in her craw.

Mrs. Overstreet with her scissors solved the problem. She cut a hole in the craw, took out the ring, sewed the craw up and the hen is as well now as she was before.—Danville Messenger.

### The Best Hour of Life

is when you do some great deed or discover some wonderful fact. This hour came to J. B. Pitt, of Rocky Mt., N. C. when he was suffering intensely, as he says, "from the worst cold I ever had, I then proved to my great satisfaction, what a wonderful Cold and Cough cure Dr. King's New Discovery is. For, after taking one bottle, I was entirely cured. You can't say anything too good of a medicine like that." Its the surest and best remedy for diseased lungs, Hemorrhages, LaGrippe, Asthma, Hay Fever, Throat or Lung Trouble. 50c. \$1.00. Trial bottle free. Guaranteed by J. H. Orme Haynes & Taylor.
